About LGC

Key People

Dr Steve Allen, Managing Director, LGC Forensics

Steve Allen joined LGC Forensics in January 2008 and has overall responsibility for all strategic, operational, commercial and business activities. With a PhD in analytical chemistry, he has over 20 years' experience of leading change in analytical science businesses, including roles at Perkin Elmer Instruments as Head of R&D and Vice President of European Operations and at Mettler-Toledo as Head of the Automated Chemistry Division.
