## About LGC

### Key People

## **Dr Paul Debenham, Director, Innovation & Development**

Paul Debenham is the Director of Innovation & Development at LGC. With more than 19 years' experience in life science research and business development, Paul has responsibility for developing major new opportunities in the life science sector and for fostering the application of rapidly emerging technologies applicable to LGC's work in the areas of medical genetics, pharmacogenetics, veterinary and food diagnostics, forensics and paternity investigations.
